Dear Owners and Operators:

I hope this letter finds all of you and your loved ones in good health. These past (18) months have been a challenge for our industry. DSANJ is here to help our members navigate these challenges. **It should be noted that we did not collect membership fees in 2021 as we were all rebounding from economic hardship. Now it is that time of year to renew or join for membership year 2022.**

Enclosed is the 2022 membership application-tiered annual membership based on the number of vehicles you operate. **Please complete the enclosed application and mail back with your check made payable to DSANJ to our Treasurer's address on the application as soon as possible.** If you have questions, email me at info@edisondrivingschoolnj.com

Whether you are renewing your membership or joining for the first time, being a member of a professional organization should be an integral part of operating a successful driver education program. The Driving School Association of New Jersey is an organization of driving school professionals who seek to educate, train and promote safe driving to the public. In addition, as a group we seek to influence legislation and regulations that promote public safety and enhance our professionalism. Together we share ideas to increase everyone's productivity, efficiency and profit while advancing the cause of traffic safety. Membership in the DSANJ is an essential business expenditure that will provide the programs that can accomplish the aforementioned objectives.

We are having our first ever **ZOOM meeting on Thursday October 28 at 7PM open to all driving school owners.** We will have a representative from MVC at the meeting. Our treasurer Laura Videtti is managing the technical aspects of the meeting. You will need to email her your intention to attend and she will send you the meeting ID and password. Her email is Lvidetti@princetondrivingschool.org Please also send her a question you would like answered by MVC. It is our plan to present as many of these questions as time allows.

Let's show MVC how large our voices are with all of us attending what I hope will be an informative meeting from the comfort of your home.

With Warm Regards,

Dina Giacomo
